**Message:**

**Our call for a GYA membership from 2021 is open until 15 September 2020 (22h:00 UTC).**

The GYA is a global organisation that places a high value on its *diversity*. We encourage applications from all qualified candidates. All applicants receive consideration and will not be discriminated against with regard to race, colour, ethnicity, religion, creed, sex, marital status, ancestry, sexual orientation, gender identity or expression, physical or mental disabilities, or other factors. We especially encourage women and applicants from different minority groups, and from diverse disciplines including the natural, physical and social sciences as well as the arts and humanities and people working in government, industry, and non-governmental sectors to apply.

More information on how to apply and our online application form can be found here <http://globalyoungacademy.net/call-for-new-members/>.

**About the Global Young Academy:**

Founded in 2010, the Global Young Academy (GYA) is an organisation of 200 diverse researchers across disciplines who are selected for five-year terms based on their scientific excellence and their commitment to using their research to make the world a better place. It presently has members and alumni from 86 countries, who are passionate about the role of science in creating a better world. We strive for the highest quality and impact in our activities. For more information on the Global Young Academy or its programmes, please visit [www.globalyoungacademy.net](http://www.globalyoungacademy.net).

**Help us to reach outstanding young scientists around the globe:**

Spread the word and share these graphics, tweets and posts as well as the call flyer over relevant mailing lists until 15 September 2020.

**Examples of Social Media messages:**

"The GYA is an ever-growing family of bright young minds where disciplines, nationalities, cultures and ideas mingle and long-lasting bonds of fellowship are established. It is a tapestry with a niche for each one, but emerging as a beautiful whole." – *Anindita Bhadra, India, Animal Behaviour*

"Joining GYA was the most liberating thing that happened in my career, as now I can freely exchange ideas with most talented and enthusiastic scholars from all over the world active in all kinds of scientific areas." – *Alexander Kagansky, Russia, Molecular Biology*

"The GYA is a hub for ideas to incubate and actions to take shape thanks to the friendly and inspiring environment created by a group of young scientists willing to contribute to the creations of a better world." – *Clarissa Rios Rojas, Netherlands, Molecular Biology / Policy Making*

"Being connected in a global network of young researchers, in a multicultural, interdisciplinary environment, broadens our perspective and gives power and voice to our ideas." – *Gonzalo Tornaría, Uruguay, Mathematical Sciences*

# GLOBAL YOUNG ACADEMY

"The GYA is an outstanding example of interdisciplinarity in action. Tremendous energy and lasting friendships come from our collaborations." – S. Karly Kehoe, Canada, Humanities

"The GYA pursues the goal of finding solutions to global problems through science. Being part of that community has rewarded me with valuable skills; social, cultural and scientific." – Ghada Bassioni, Egypt, Physical Sciences

"Facing global as well as local problems together, we can achieve more than I ever thought was possible." – Mihaela Zigman (alumna) / Germany, Life Sciences

"My social science perspective has been of enormous value to the GYA work. I strongly encourage other social scientists to join us." – Karen Lorimer / Scotland / Law, Economics and Social Sciences
